Subject: INQ 15-268 Cathy Uresti, Anchor Floor and Supply Co. (Lobbyist Registration)

Ms. Uresti:

You have inquired regarding whether it is necessary for you to register as a lobbyist at JHS where your company has been contacted by Jaime Cruz, Director of Engineering and Plant Operation Services, who wishes to order some products from your company. Mr. Cruz informed you that you would need to become a registered vendor at JHS to complete the sale. I have spoken with Mr. Cruz who confirmed the facts as related by you. Under these circumstances, it is my opinion that you do not need to register as a lobbyist because you did not initiate the contact and your involvement in this transaction is to complete a sale of a product that has been ordered by JHS, rather than to initiate a sale or otherwise influence a purchasing decision at JHS. It is necessary, however, that you register as a vendor at JHS in order to comply with the purchasing procedures at JHS.

Sincerely,

Joseph M. Centorino

Good afternoon Mr. Murawski,

Thank you for taking my call earlier. Here is the original email sent to me by Jaime Cruz. I am also attaching my product that we sell. We are the only distributor of the Vidir bed stacking units in the State of Florida. This is a space saving solution for the hospitals to de-clutter their hall ways with beds.

If you should have further questions, please do not hesitate to reach out to me. I appreciate your help in this matter.

Respectfully,

Cathy Uresti
