INQ 16-149

Dear Ms. Torres:

It was a pleasure to speak with you recently. You inquired whether a Councilwoman, a municipal elected official who also serves as a County board member, would file a State Form 1 financial disclosure form or a County Source of Income form. As we discussed over the phone, Section 112.3145(1)(a), Florida Statutes (2015) call for municipal elected officials to file State Form 1. Municipal officials who are required to comply with State financial disclosure requirements and file as per Section 112.3145, Florida Statutes automatically satisfy Miami-Dade County disclosure requirements under the County Ethics Code at Section 2-11.1(i) and would not have to also file a County Source of Income Statement. I have attached the Financial Disclosures Chart prepared by the COE on a yearly basis. It summarizes the Financial Disclosure requirements and contains hyperlinks to all of the forms.

Please do not hesitate to contact us if you have any further questions.

Best regards,

Gilma (Mimi) Diaz-Greco

Good morning Rozandra,

Hope all is well. If an individual serves as a councilwoman and a board member, do they need to complete the Source of Income Statement only or is there another form to be completed?

Regards,
