Subject: INQ 16-285 Brian Andrews, Lobbyist (Lobbyist Registration)

Brian Andrews, a principal who lobbies on behalf of his own media and communications strategy company, inquired concerning whether his lobbyist registration would include his appearances before the County Commission regarding general programmatic issue that might affect his industry, although do not directly affect his particular company. I informed him that, since he was speaking on behalf of his company regarding an issue that he was interested in because it would affect the industry in which his company is involved, his registration as lobbyist for his company would be both necessary and sufficient for him to make such an appearance.
