Subject: Corey Roe, Ferring Pharmaceuticals (Lobbyist Training) INQ 17-134

Dear Mr. Roe:

It was a pleasure to speak with you over the phone. You inquired about subsequent lobbying training requirements under the Miami-Dade County Ethics Code, on behalf of a lobbyist at your organization who completed the initial lobbyist training in June of 2016.

The County Ethics Code at Section 2-11.1(s)(2)(d) requires a lobbyist to complete an initial lobbyist training course 60 days after first registering as a lobbyist. Lobbyists who complete the initial lobbyist training course and who have continuously registered as a lobbyist are thereafter required to complete a 2hour refresher lobbyist ethics training course every 2 years. Thus, if a lobbyist completed his or her initial lobbyist ethics training in June 2016, he or she would have to complete the 2 hour ethics refresher training on or before June 2018. Lobbyist ethics training information can be found at the Miami-Dade Commission on Ethics' website at: <http://ethics.miamidade.gov/training.asp>.

Please do not hesitate to contact me if you have any further questions.

Cordially,

Gilma (Mimi) Diaz-Greco
