Correcting for scrivener's error. Next to last sentence: " A copy of your ethics training certificate should be provided to the City as well as the County."

Dear Ms. Krarup:

It was a pleasure to speak with you earlier this week. You inquired about lobbyist ethics training.

As background, you advised that you lobby the City of Miami as well as Miami-Dade County. Records show that you completed the Ethics Refresher Course for Lobbyists at the Miami-Dade Commission on Ethics on July 15, 2016.

With respect to lobbying the City of Miami, the City's lobbyist ordinance requires lobbyists to complete ethics training on a **yearly basis**. City of Miami Code §2-654(a). Thus, given that you completed your last lobbyist's ethics training on July 15, 2016 your ethics training requirement for the City is valid until July 15, 2017.

With respect to Miami-Dade County, the County Ethics Code requires completion of a refresher course every **two-years**. Miami-Dade Code §2-11.1(s)(2)(d). Therefore, your ethics training requirement for the County is valid for a period of two years until July 15, 2018.

A copy of your ethics training certificate should be provided to the City as well as the County.

Please contact me if you have any further questions.

Gilma –

Thank you for your help today. Robert was able to send a copy of my ethics training refresher course certificate (attached). I am in the process of trying to confirm that it is linked to my lobbyist account with the County. My name has changed since 2016 as I have gotten married.

Thank you --

Hi Robert –

I just left you a voicemail. I am trying to track down a copy of my ethics training certificate. Gilma Diaz Gregor indicated you may be able to help.

I believe I took the course on July 15th, 2016 (this was a refresher course). At the time, my last name was Peaden (Haven Peaden).

Can you locate my record? If yes, please send me a copy of my certificate if possible. I do not believe it was ever properly filed with the City or County and I am trying to get this corrected.

Thank you so much ---
