I received a call from Hugo Salazar in the Budget office on March 7, 2005 and he asked about the propriety of one of his employee who has outside employment on weekends with a funeral home owned by the Director of Solid Waste. The Funeral Home may apply for Mom and Pop grants.

I informed Mr. Salazar that the outside employment in this case was permissible. The employee's duties have nothing to do with the Solid Waste Department or the Mom and Pop grant program.
