Ms. Williams,

Unless you want something more formal, I've indicated in a previous e-mail that your company can transact business with County departments, with the exception of the Transit Department. If you need something on our official letterhead, I can provide that to you, but as far as I am concerned, your company has been cleared by the Ethics Commission to enter into contracts with the County.

Mr. Meyer,

When would I get the official approval to provide service to the others departments? Is there a telephone number that I can reach you. I have some other questions.

Sincerely,
Katrena Williams

Ms. Williams,

You would not be permitted to provide the service to the Transit Department, but you could provide the service to the other departments.

If you have any other questions, feel free to contact me.

Thanks,

Robert Meyers

Mr. Meyers,

MDT is one of the departments that uses this contract. Does this mean I'm out of the running. Please advise?

Ms. Williams,

County employees may become County vendors so long as they are not contracting with their departments nor are they permitted to be involved in the contract in any way including its enforcement, administration, amendment, extension or termination. Therefore, before I can give you an opinion, I need to know which County department will be awarding the contract that you are seeking.

Thank you,

Robert Meyers
