Hi Yolanda,

There is no violation of the County's Conflict of Interest and Code of Ethics Ordinance for you and your sister to report to the same boss. Under the County's Nepotism Policy, family members cannot directly supervise one another nor can they be involved in the appointment or promotion of relatives. I don't believe that completing requests that come from your sister violate the rules against nepotism.

If you wish to discuss in further detail, please contact me at your convenience.

Thanks,

Robert

Hi Robert:
Hypothetically if my sister were to also report to my boss, would this be a conflict of interest?
We could be together in staff meetings and she could request completed items from me for our boss.

This isn't happening any time soon but I would appreciate your opinion.

Thanks, Yolanda
