Mr. Rodriguez,

I reviewed the attached and I have the following response. Nothing in the county's Conflict of Interest or Code of Ethics Ordinance precludes you from becoming a partner in a corporation that does construction work for the County. However, you are barred for a period of two years from the date you leave the County from lobbying County officials or personnel. It would not be a violation of the ethics code if your partner lobbied the County, the prohibition only applies to you.

If you have any additional questions, please feel to contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director  
 Miami-Dade Commission on Ethics and Public Trust

You can send me an e-mail with the relevant/critical facts and we will issue you an opinion. If it is a matter we have dealt with before, we should be able to give you an opinion within 48 hours. If the facts are more complicated or involve a question we have never dealt with before, it might take longer.
