I would recommend returning the t-shirts. I assume the t-shirts prominently display the name of the company and/or its logo. County employees shouldn't be walking advertisements for companies, especially those doing business with the County.

Hi Magaly:

I am referring you to the Commission on Ethics and Public Trust for an opinion. I personally would not accept the gift. Below is the contact information.

Hi Andrew,

10/18/2006

I have a situation that I would like clarification on. The County currently pays for licenses for the EAMS software package. Recently, we received 2 boxes of the company's t-shirts. I asked them why we got them and the answer was because we are one of their top 100 customers (see below). Is it ok to accept and distribute the t-shirts?

Thanks,
Maggy

because you are one of our top 100 customers - give them out at your leisure.

i am out for at least this week. Hannah is in the hospital...complications from strep throat and also Grisel's Syndrome. We have been here since Monday, and we hope to go home tomorrow. Please tell Marlene and keep us in your prayers.

Regards,
Danielle

Hi Danielle,

Any idea why we would have received 2 boxes of t-shirts?
