Denise,

There is nothing in the county's Conflict of Interest and Code of Ethics Ordinance that would prohibit Maria Saboya from sitting on this committee. As I understand it, there is no connection between Ms. Saboya's duties as an employee of the Elections Department and the responsibilities delegated to the Miami Beach committee on which she will serve.

If you have any questions, feel free to contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director

Dear Robert,

Would it be a conflict of interest if Maria Saboya sat on a committee for the City of Miami Beach? The committee is for the Parking Department and would be a one-time occurrence.

Please advise.

Thank you,
Denise

No problem, as long as there is no ethical conflict for which you would need to seek an opinion.

Dear Maria,
I received a telephone call from Pamela @ the City of Miami Beach regarding the possibility of you serving on a special committee for the Parking Department. It is a one time service, where you will review the two proposals which have been presented to the City. The meeting is scheduled for 12/11 @ 10 AM.

Upon receipt of your confirmation, I will contact Pamela inform her you will be in attendance and collect any information you will need prior to the committee meeting.

Thanks,
Denise
