Ms. Brewer-McDuffie,

As long as the employees understand that they are not compelled to contribute, it would be acceptable to solicit them for donations to benefit the Childrens' Home Society.

If you have any additional questions, please contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director
Miami-Dade Commission on Ethics and Public Trust

Water and Sewer Department's Human Resources Section would be coordinating donations from the Department employees to provide to the Children's Home Society.

Before I can answer you question, I would like to know who in the department will be doing the soliciting and who will be targeted for solicitations?

Thanks,

Robert Meyers

I would like to know if there is authorization required, other than the Department Director, to have a holiday toy drive to donate to the Childrens' Home Society. Please advise we are anxious to begin (per required approval).
Thanks.
