Hilda,

I inadvertently deleted your e-mail, but I did keep a hard copy. As I understand your question, you wish to know whether Joseph McManus, a part-time Zoning Consultant with Planning and Zoning, needs departmental approval for his outside employment activities. Code Section 2-11 states that the County's outside employment rules and regulations only apply to full-time employees. Therefore, Mr. McManus is exempt from these requirements.

If you have any questions, please do not hesitate to contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director

Hilda:
I recently found out that ownership of rental housing units is now considered "Outside Employment". I own two rental housing units in Miami-Dade County. I also own two rental units outside Miami-Dade County. Should I disclose these units outside Miami- Dade County on the Outside Employment Form?
