Kay,

Sorry I haven't responded sooner. There is no problem with the Choir seeking funding from the County provided you do not personally appear in front of the Commission, a County board or committee with respect to this item. Additionally, any correspondence from the South Florida Boys Choir cannot be signed by you.

If you have any other questions, feel free to contact me at your convenience.

Robert

Recently, I was appointed chair of the South Florida Boys Choir. The organization has applied for a CDBG grant. Prior to accepting the position, I asked that I be made aware of any documents that would list me as chair, and especially those asking for funding from the county. I made it clear that I wanted to always check for possible conflicts of interest. The application for CDBG funding was submitted without consulting me.

Do I have a conflict?
