Hi Diane:

Robert Meyers forwarded me your inquiry below. The facts are not too clear; nevertheless, there does not appear to be a conflict of interest under the Code of Ethics.

If you have any further questions or comments, please do not hesitate to contact me.

Sincerely,

Robert:

I am currently the contract administrator for personnel agency services and has come into the knowledge that my family member has been registered at an agency located in another state that is affiliated with one of the vendors under my jurisdiction. Will this be construed as an ethics violation in terms of conflict of interest? Please advise...

Thank you...
