Thanks and I am following up with Robert Meyers. Robert -in reviewing the Ethics code provisions it is my understanding that so long as the officer is in uniform and the off duty assignment is through the city, and in addition, the officer can be called into duty at any time during this off duty work assignment, there should not be a requirement to report merely because the officer gets paid by the third party (ie person hosting the party). We need to discuss this as I am unaware of any municipality that has been requiring the filing of the form for outside employment.

Liz,

Chief Harley, the City Manager, the Police senior staff, and you all need to meet and make a decision on how to handle this issue. Jim H. will contact the City Manager and you next week to schedule a meeting.

Jim S.

I spoke with Robert Meyers of the Ethics commission-and he feels that if the city is issuing the check -no need to report other than through the dept. if they are being paid by a third party they need to file a disclosure form.
