Liz,

The rule is there is no provision for firm or entity registration unless all firm members are part of an oral presentation team. Absent that, each member of the firm has to register separately. The same theory applies to issue by issue registration -- each firm member must register for each issue.

Hope this helps and contact me if you have questions.

Thanks,

Robert

I would need to check with Bob Meyers.
Bob what do you say? Can the firm register and list all three attorneys?
