Sorry I haven't responded sooner. Based on the facts that are presented in the e-mails below, there is nothing in the Code of Ethics and Conflict of Interest Ordinance that would preclude Mr. Diaz from sitting on a municipal board in the City of Hallandale. Mr. Diaz' duties with Team Metro are limited to Miami-Dade County and the appointed position he is seeking is in Broward County, thereby creating no conflict of interest.

If you have any additional questions, please do not hesitate to contact me at your convenience.

Thank you,

Robert Meyers

Good morning Becky!!!

as per our conversation last Thursday, I am considering the opportunity to apply as council member for the City of Hallandale to serve for three years at the board of Code Enforcement or the Board of Planning and Zoning. These boards meet twice a month at night, and I will not be compensated for my job at the board. I have been living in Hallandale, Broward County since August 1997, and I have been with Miami Dade County since July 1987. Could you find for me if there is any conflict of the interest due to the fact that I am working as a code enforcement for Miami Dade County, Team Metro? Please let me know before I turn my application in. Thanks in advance for your cooperation in this matter.

Sincerely,

*Juan Rafael Diaz-Estrada*  
Neighborhood Compliance Officer  
Team Metro Northeast
