Mr. Gort,

Thank you for your inquiry. Based upon the facts you have provided me, there is no legal conflict for you to serve on the International Trade Consortium (ITC) and work for a company that has a business relationship with the County. This is based upon the fact that the business relationship your firm has with the County has nothing to do with the activities of the ITC. If for some reason a matter was presented to the ITC which involved Ramirez & Co., either directly or indirectly through the Finance Department, you not be allowed to participate in those discussions.

If you have any additional questions, please do not hesitate to contact me at your convenience.

Thank you,

Robert Meyers

Mr. Meyers, I was appointed to the I.T.C Board of Directors by Commissioner Souto on June 2003, I'm also S.V.P. for Ramirez & Co. one of the Bond Underwriters for the Counties Finance Dept., I would like to know if accepting this appointment would create a conflict for me or my Company. Thank You and have a great day
