Mr. Burgess,

I assume that the special subcommittee meeting is a public meeting. Assuming it is a public meeting, there is nothing in the Conflict of Interest and Code of Ethics Ordinance that would prevent you from voting on a resolution concerning the CITT. The fact that you are a County employee would not create a conflict, unless the action the subcommittee is considering would directly impact your employment with the County.

If you have any additional questions, feel free to contact me at your convenience.

Thank you,

Robert Meyers, Executive Director
Miami-Dade Commission on Ethics and Public Trust

Subject: Request for an Opinion - CITT Ordinance Modifications by the BCC

Good Afternoon!

On April 14th 2004, at a Special Subcommittee meeting, CTAC members will be discussing and possibly voting on a resolution concerning the proposed Citizen Independent Transportation Trust (CITT) Ordinance modifications by the Board of County Commissioners (BCC). Being that I am a Miami-Dade County employee and a CTAC member, I am concerned about a possible conflict of interest by voting on this issue.

Please render an opinion on this matter.

Thanks.
