Subject: Miami Lakes question

Nina,

Per our discussion, I am of the opinion that elected officials in Miami Lakes who are running for re-election may vote on matters relating to the 2004 elections, such as changing the date for the elections. Under the County Conflict of Interest and Code of Ethics Ordinance, a voting conflict would not be created, as these officials do not stand to benefit from or be enhanced by this action.

If you wish to discuss this matter with me in more detail, please contact me at your convenience.

Thanks,

Robert
