Mac,

I just spoke with the Commission on Ethics Director, Robert Myers, regarding your request for me to contact Ms. Wright to request further information on the topic she discussed during the Wednesday CTAC meeting. He informed me that, as per the Sunshine Law, members are not allowed to utilize staff as liaisons to request further information on a topic that may come before the Committee at a later date for discussion and/or possible action. Therefore, at this time, I will be unable to fulfill your request.

Regards,
