Re: K09-167

---

This inquiry began soon after Michael Pizzi, Mayor of the Town of Miami Lakes asked to meet with this investigator at a location of his choosing. Pizzi advised this writer that he had information concerning Miami Lakes Councilman Richard Pulido. Soon thereafter, after consultation with MDPD PCIB Detective Luis Rodriguez, it became apparent that Mayor Pizzi was also supplying him with information concerning Pulido. From an investigative standpoint it was decided that PCIB would take the lead in the investigation.

In the ensuing time period it became evident that Mayor Pizzi was less than forthcoming in pursuing the investigation, this can best be described by reading the attached PCIB report (Exhibit 1).

Therefore it is suggested that investigation be closed.
