Memo

To: File

From: Karl Ross, ethics investigator

Date: July 13, 2009

Re: K09-077 SAFARI EDVENTURE

Close out recommended: As directed by the Advocate, a file has been opened and subsequently closed concerning the allegations by Mr. Glenn Fried of alleged misconduct by Cutler Bay city officials in the handling of code enforcement matters at his property. In e-mails exchanged earlier today, Mr. Fried was advised that he should pursue this as a civil matter but that he was entitled as a citizen to file a formal ethics complaint if he felt there was evidence to support such a complaint.
