Ethics Complaint:

Complaint regarding 2 married County employee having a relationship. Julian Manduley has been assisting and favoring a lower level employee under his supervision name Tania Gundin. As to even help get her get a promotion to IT Contract & Procurement Officer. During the interview process, they mention that question to the interview were going to be more open to allow other members from outside the County apply but only interview 3 members for that dept. ITD is to professional of a department to keep allowing this sleep you way to the top. This degrades other hard working employee and it not in the best interest of the County.
