Dear Mr. Gimenez:

You have inquired whether you may lobby prior to completing lobbyist training within the initial 60 days of your registering as a lobbyist.

Section 2-11.1(s)(2)(d) requires that: "Each lobbyist shall, within sixty (60) days after registering as a lobbyist, submit to the Clerk of the Board a certificate of completion of an ethics course offered by the Miami-Dade County Commission on Ethics and Public Trust." Consequently, the Ethics Commission has determined (see attached INQ 17-191) that County lobbyists have sixty days to complete the training **during which time they may lobby.**

However, if you do not complete the lobbyist ethics training within 60 days, you will be unable to lobby thereafter until you have completed the training. *See* INQ 17-289 (Lobbyist ethics course should be completed within 60 days of initial registration as a lobbyist, or must be completed prior to an individual engaging in lobbyist activities thereafter).

Please contact me if you have any further questions.

Cordially,

Gilma (Mimi) Diaz-Greco
