Ms. Oliva,

There are two reasons why UHC can present to the Board of Trustees regarding this matter and not be in violation of the Cone of Silence. 1) The scope of the presentation is completely unrelated to the Request for Proposal initiated by the Procurement Management Department and the Cone of Silence does not apply to duly-noticed public meetings ( I am assuming the PHT Board to which you refer is a public meeting).

If you have any further questions, please do not hesitate to contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director

Mr. Meyers,

Regarding the discussion on Quality by UHC to the PHT Board, the topic does not relate to RFP 06-5140 which is still under the Cone of Silence. Please confirm your approval to proceed with scheduled oral presentation.

CaTanya,

Please I need to know if the discussion on Quality is related to any tool or services provided by UHC under RFP 06-5140.

Hi Jeannine,

I am sorry that this was such a late notice but the Chair of the Board decided to do the meeting on the spur of the moment. He has actually agreed

1/8/2007

to include the topic of Quality in the next retreat of the Board. I will try and get the date to see if Dr. Behal would be available and what his

charges would be. We are really moving ahead with Quality as an organizational strategy - which I am very pleased with.

Hope you have had a wonderful holiday season.

Abbe

Hello Abbe,

Sorry I was not able to respond to you. Have been out of the office. The physician that I work for, Raj Behal, has done presentations to hospital

Boards on the topic of quality. He would not be available on the fifth. Are there other dates available? I will not be in the office tomorrow, but

will be checking my email in the early afternoon.

Happy New Year!

Jeannine

Hi Lourdes,

Happy New Year! I would like your guidance on how best to proceed with this request. Abbe Bendell is a NAPH fellow at JMH that currently participates in UHC's fellow class. Abbe has requested UHC to present the topic of Quality at the upcoming Board retreat, which appears to be an organizational strategy. Prior to agreeing to present, UHC would like to make sure it is ok to proceed.

Thanks for the guidance,

*CaTanya*
