I spoke to Loretta Sanchez in Chairman Barreiro's office and she wanted to know whether she had to file Form 1. In the past she had been advised that filing the Source of Income Statement complied with her financial disclosure filing requirement. Ms. Sanchez is the Chief of Staff for Chairman Barreiro and has the authority to purchase items of considerable expense out of the Chairman's budget. To date, she has never exercised such authority. The State Commission on Ethics advised that due to the fact she can commit the expenditure of public funds in excess of \$15,000, she should file Form 1.
