**Re: INQ 07-173
County Vendor Approval**

Dear Mr. Calzadilla:

This letter is to confirm that you do not need permission from the Miami-Dade County Commission on Ethics as a requirement to becoming a pre-approved County vendor as long as *none of your immediate family members is employed by Miami-Dade County*.

We understand that your wife, Bianca Calzadilla, is an employee of the Miami-Dade County Public School Board of Education, which is not a County agency.

Sincerely,

VICTORIA FRIGO
Staff Attorney
