Hi Esther,

Sorry for not responding, but I must have overlooked it. It can be handled in one of two ways: 1) He can report the tickets on the gift disclosure form and then indicate he did not actually use the tickets or 2) He does not have to report the gift at all, but he ought to keep a record in his file that the tickets were given away.

If you need anything else, please contact me.

Thanks,

Robert

Hi Robert...Good Morning!

The Commissioner received passes for this weekend's WGC-CA Championship. The commissioner will not be using the tickets but he is going to give them away; therefore, how should we disclose it on the disclosure form?

Will do. Find out with Meyers how to best document since he is giving away. Let me know before I disperse them.

Thanks

Javier,

I spoke to Tina from the South Florida Golf Foundation and she told me that the face value of all the tickets is \$850.00. I will place this on the commissioner's gift disclosure form.

Have a great day...stay dry!
