Ms. Martinez,

If you are merely an officer of the corporation and not working for the corporation, we do not consider this to be a form of outside employment. If, on the other hand, you do any type of work for your spouse's corporation, it is outside employment and it has to be approved. The fact that the corporation is not doing work for Miami-Dade County is irrelevant.

If you have any additional questions, feel free to contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director

Subject: ew Employee Question

Dear Mr. Meyers:

I'm a new employee and I have a questions regarding outside work that needs to be reported and I was told to refer this question to you:

My husband is a Mechanical Contractor with a Corporation in which I am the President. I do not receive any money from this corporation and this corporation is not doing work for Dade County. Should I report this, just because I am in the corporation?

Please advise.
