Section 2-11.1(k) of the county's Conflict of Interest and Code of Ethics Ordinance covers outside employment and it only mentions full-time employees. Therefore, it is my opinion that part-time employees are not required to fill out the form. However, they would be prohibited from taking other employment that conflicts with their County employment.

Dear Mr. Myers,

I have contacted the COE department and I was referred to you. We are trying to find out if PT employees are required to fill out the Outside Employment Form. I have PT employees working from 10 to 40 hrs a week regularly. The Memo that we received stated that only FT employees are required to fill out the form but we were told last year to pass the forms among the PT employees as well. Could you please inform?

Thanks for your help and have a great day!
