Barbara,

There would be no violation of county ethics ordinance if you attend this meeting. I would remind you that if the combined value of the buffet and the Heat tickets exceed \$100, you need to file a gift disclosure form.

If you have any questions, feel free to contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director

Barbara,

As I had mentioned, there has been great interest among our south Florida Public Entity clients to get together for a property renewal summit to share experiences, program details, pricing parameters and any concerns or new issues.

We will be hosting a dinner at the AA Arena (also a south Florida property client) on April 16th, to bring together the key people involved with the property insurance renewals for Miami-Dade County, Miami-Dade County Public Schools, Broward County Schools, Broward County, Palm Beach County and Palm Beach County Schools.

Since the AA Arena is a client they have been gracious enough to offer us a room where we can meet, and they will provide a buffet meal. The only burden to you and the County is that they have asked us to stay for the game afterwards against the Atlanta Hawks (the way the Heat are playing as of late, this could be a painful experience).

This should be a wonderful opportunity for you to share information with your peers as we approach your May 3rd property program renewal.

There will be no insurance company personnel invited, just a handful of the Gallagher team that work with the various entities throughout the year.

We hope to see you there.
