Subject: Inquiry- Random raffle

Dear Mr. Meyers,

I received information that I was the winner of a random raffle that I participated while at the ESRI conference in San Diego. I left my business card and I received a letter yesterday. I did a research in your Web site and found a letter written by you concerning a very similar case. I am attaching the letter I received and the letter that is published in your web site with the interpretation about raffle prizes. I want to be clear about accepting the prize before I proceed.

Thanks,

Ivelisse Torres-Alejo
