RE: **INQ 09-176** Julieta Arthur

Jurisdiction over Miami Gardens Police, § 2-11.1 (a)

Phone: 305 621-6536

1. Ms. Arthur called on Nov. 2, 2009, inquiring about our jurisdiction over the police in Miami Gardens. She indicated that she may file a complaint against the police there, but she did not provide specific facts about the circumstances.

I replied that we have jurisdiction over all city employees when a violation of the ethics code has occurred.

2. Ms. Arthur also asked about opinions and complaints related to Miami Gardens. Since she does not have access to a computer, I told her I would search our files to identify those dealing with Miami Gardens.

I found the following complaint and opinions, listed below, and reported my findings to Ms. Arthur on Nov. 4, 2009, by phone. I told her that none of these opinions or complaints dealt with the Miami Gardens police.

Ms. Arthur said she was still considering filing a complaint and would get back to us.
