Jean:

- 1) I agree
- 2) I agree as long as the ballot measure has some impact on Miami Beach
- 3) I agree as long as the recommendation is based upon a professional relationship between the two parties

Also, I have on my calendar lunch with you this Friday. Are we still on? If so, where should we meet?

Robert-I just wanted to confirm the following general conclusions re: appropriate use of city stationery by city personnel

- 1) not ok to use city stationery to support a candidate;
- 2) ok to use city stationery to support ballot measures; and
- 3) ok to use stationery to recommend someone if city personnel has personal knowledge of the person being recommended (ie, a city commissioner wants to recommend his secretary for something).

Thank you.
