I received a phone call from County Commissioner Rebeca Sosa on Thursday, April 30th and she wanted to know how to proceed concerning a trip to the Canary Islands that she and her husband were being offered, including airfare and hotel. Due to her committee work, she was instrumental in getting a nonstop flight from MIA to the Canary Islands and the airline approached Commissioner Sosa about being on the maiden, nonstop flight. I advised the Commissioner that she could accept the gift and must report it (since it exceeds \$100) and she also agreed to report the gift to her husband.
