Dear Commissioner Edmonson:

This is to follow-up on the conversation we had yesterday regarding an item on the January 14th agenda of the Health, Public Safety and Intergovernmental Committee. The Item, 2A, is a resolution supporting the legislative initiatives of the Miami-Dade Public Schools for the 2010 session of the Florida Legislature. As an employee of the Miami-Dade Public Schools, you wish to know whether you have a conflict as a county commissioner preventing you from co-sponsoring the item. The resolution under consideration is a package of legislative initiatives and any personal benefit to you as an employee of the school system would be remote and indirect. Therefore, no conflict of interest exists that would prohibit you from co-sponsoring this resolution.

If you have any questions, feel free to contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director
Miami-Dade Commission on Ethics and Public Trust
