Subject: RE: Outside Employment

Ms. Feuer:

The Ethics Commission has opined on several occasions that military service is not outside employment and there is no reason to seek approval from the department director. Since military service is not considered outside employment, disclosure of this income to the County is unnecessary.

If you have any additional questions, please contact me at your convenience.

Sincerely,

Robert Meyers, Executive Director
Miami-Dade Commission on Ethics and Public Trust

Subject: Outside Employment

Good afternoon Mr. Meyers,

I have received conflicting information regarding the need to process military service as outside employment. I have been advised that since military orders must be followed there is no reason to seek Department Director approval. Along these same lines I have been told that there is no need to report military compensation on the financial statement as an additional source of income.

Any guidance you can provide is appreciated.
