Faith,

Please try to schedule a public meeting with the selected firm and the Seaport staff for early next week. WASD' staff and AECOM representatives will also be attending this proposed public meeting.

Thanks,

Per our telephone conversation, you asked me whether a firm that is in the process of negotiations regarding a solicitation covered by the Cone of Silence may meet with officials of another department (Seaport) that will be impacted by the proposal. I advised you that the firm may communicate with the Seaport by e-mail regarding any

issues that need to be negotiated with the Seaport. Alternatively, you may schedule a public meeting with the firm and Seaport officials to discuss any issues arising from the firm's proposal. If you have any further questions, please contact me.
