Re: INQ 11-132 Bart Smith

Comments: Bart Smith, the Grant and Manager Coordinator in the City of Opa-Locka, inquired about outside employment. See Miami-Dade Co. Code at Secs. (j) & (k).

Specifically, he asked if he had a conflict working as a tutor at a nonprofit organization on weekends.

The nonprofit organization is headed by an Opa-Locka council member. The nonprofit does not receive any grant money from the city of Opa-Locka.

I advised Mr. Smith that he had no conflict as long as his supervisor approved his employment and the nonprofit organization did not receive any funds whatsoever from the city of Opa-Locka.

Mr. Smith did not volunteer as to which nonprofit organization was hiring him. However—

- Mayor Myra Taylor is President of the Vankara Learning Exchange—a nonprofit educational organization.
- Vice-Mayor Dorothy Johnson is President of The Portrait of Empowerment Inc. (South Florida Community Dream Team), a nonprofit community based organization.
