Subject: Mandatory Campaign Provisions

Dear Ms. Sewell:

Per our discussion earlier today, you wanted to know about the applicability of the mandatory provisions of the Ethical Campaign Practices Ordinance. Any candidate running for municipal office in Miami-Dade County is automatically bound by this section, which means there is nothing for the candidate to sign. With respect to the voluntary provisions, this section of the ordinance only applies to those candidates who agree in writing to be covered by these standards.

If you have any further questions, feel free to contact me at your convenience.

Thanks,

Robert Meyers, Executive Director
Miami-Dade Commission on Ethics and Public Trust
