Dr. Negron-Soto,

You are correct that Dr. Copeland may attend this political fund-raising event in his individual capacity, but not in his capacity as a County director. I've attached an Administrative Order that discusses the County policy in regard to political activities. Please feel free to contact me if I can be of further assistance.

Sincerely,

VICTORIA FRIGO, STAFF ATTORNEY

Victoria,

Thank you for our recent telephone conversation concerning the attached invitation. I will advise Director Copeland accordingly, that as long as he is attending this function as an individual, and not with the intent of using his current position to further or influence this candidate that there is no issue with his attendance at this event.

Please verify that this email is correct, thanks again for your time this morning.

Lea and Roy would like to invite you to join them to meet Senator Claire McCaskill over casual dinner, cocktails and conversation (intimate / small group / photo option available) at their home next Wednesday night, right after work. We believe that we have to maintain her senate seat to move our education agenda forward. Please let us know if you can attend. We look forward to seeing you! Invite attached. Kim
