Re: INQ 11-29
No Limitations on Doing Business with the County Based on Mother's
Employment with the Board of Education

Dear Ms. Delgado:

In correspondence to our office on February 22, 2011, you stated that you wish to register the company, TECH APPS, INC., as a County vendor.

Your mother is employed by the Miami-Dade Board of Education as a substitute teacher in the Miami-Dade County Public Schools.

As an employee of the Board of Education, your mother does not fall within the jurisdiction of the Miami-Dade County Code of Ethics. School Board employees are *not* County employees. Consequently, your company has no limitations on doing business with the County based on your mother's employment with the Board of Education

Furthermore, you stated that you have no immediate family members who are employed by Miami-Dade County.

If any of the facts you have presented change, or if you have further questions, please do not hesitate to contact me at 305 350-0601.

Sincerely,

VICTORIA FRIGO
Staff Attorney
