Ms. Bravo:

This is in response to your inquiry about ethics conflicts related to your possible employment as Director with the Miami Metropolitan Planning Organization (MPO) and business contracts your husband, Walfrido Pevida, has with Miami-Dade County through, C3TS, a company partially owned by him.

As we discussed on the phone today, the MPO is an independent agency created under Florida Statutes and not part of Miami-Dade County. Therefore, under the County Ethics Code, your work at the MPO does not create conflicts with County contracts.

Please do not hesitate to contact me at 305 350-0601 if I can be of further assistance.

Sincerely,

Victoria Frigo, Staff Attorney
