Re: INQ 12-116

Your company has no Limitations under the Sec. 2-11.1 (c)(2)
of the County Ethics Code to Do Business with the County

Dear Mr. Gomez:

We have reviewed your request for an ethics opinion and find that your privately owned company, INSTALLATION OF STORAGE SYSTEMS CORP., has no limitations under the County Ethics Code at Sec. 2-11.1 (c)(2) to do business with the County.

You have no immediate family members who are employed by Miami-Dade County. Your wife, Norma G. Fernandez-Gomez, is currently employed by the Miami-Dade County Health Department, which is the local branch of a state public agency, the Florida Department of Health. The Miami-Dade County Health Department is not a County agency.

As an employee of a state agency, your wife does not fall within the jurisdiction of the Miami-Dade County Code of Ethics. However, as a County vendor, be advised that you will be subject to certain sections of the County Code as well as relevant state law.

If any of the facts you have presented change, or if you have further questions, please do not hesitate to contact me at 305 350-0601.

Sincerely,

VICTORIA FRIGO
Staff Attorney
