Subject: INQ re: County's Related Party ordinance, 2-8.1.1

Mayor Stoddard:

We have looked at this ordinance and concluded that it is not applicable to the City of South Miami, only to County government. That is not to say that it does not provide a common sense guideline to determine when possible collusion may be avoided, but it would not apply to a municipality unless that municipality explicitly adopted it.

Subject: question about applicability of county ordinance to South Miami

Joe,

Does the County's "Related Party" ordinance 2-8.1.1 apply to South Miami which has no specific provisions about bidding by related parties?

Thanks,

-Philip
