Subject: INQ 12-170 Emails with political content

Mr. Ocariz,

County emails are public records. We discourage County employees from using the County email system for solicitations of any kind, but to the extent that this information falls within the Public Records Act, we cannot control how the emails will be used.

Administrative Order 7-2 requires that County employees engage in political activity on off-duty hours.

Subject: Estamos Unidos | We Are One (FINAL EVENT with President Obama!)

Dear Friends

We began this exciting journey to re-elect a President. We have made history together.

Now, we have one last opportunity to help support President Obama's re-election campaign.

We have the privilege of hosting the last-ever event with President Obama on Thursday, October 11 in Miami, Florida.

The event is called [Estamos Unidos | We Are One](#). This gala event will bring together Latinos and folks from all across this great country who want to continue moving forward the next four years.

We have admission tickets starting at \$500 and we want you to join the President for one big finale. Let's join together and show what we can do!

[Click here to purchase tickets.](#)

Thank you for all you have done. Let's re-elect President Obama!

Un abrazo,
