Vice-Mayor Digiacomio,

You asked if the Mayor of the city of Medley has authority to remove an item from the agenda of an upcoming Council meeting when the item has been requested by a Council member in a timely manner.

This question is most likely governed by city policies and procedures; without additional relevant facts, it does not fall within the jurisdiction of the County Ethics Commission.

Additionally, the Ethics Commission can only issue ethics opinions to the person who inquires about his/her own future behavior. Consequently, we cannot respond to you about another person's behavior as it relates to County and municipal ethics codes. *See County Code at Sect 2-1074 (y).*

I am sorry that the circumstances you presented do not appear to fall within our jurisdiction.

Sincerely,

VICTORIA FRIGO, SENIOR STAFF ATTORNEY

Good Afternoon Victoria,

Bellow, I'm forwarding you an e-mail I sent to our Town Clerk on April 9th, 2013 for an item to be placed in the agenda for our next Council Meeting, scheduled for May 6th 2013. Today, April 30th, 2013, I was notified by our Town Clerk that the Mayor had instructed her to remove my item from the agenda. In your opinion, does the Mayor has the authority to remove from the agenda, any items requested in a timely manner by the Members of the Council?.

Thank you in advanced for your legal advice.

Best Regards,

Griselia Digiaco, Vice-Mayor
