Hello Carmen,

The County Ethics Code at Sec. 2-11.1 (i)(1) only requires that board members file financial disclosure forms by July 1<sup>st</sup> of the year following the year in which they serve.

Unlike state law, the County ordinance does *not* require a newly appointed County board member to file a financial disclosure form within 30 days of appointment.

Sincerely,

**VICTORIA FRIGO, SENIOR STAFF ATTORNEY**

Good afternoon Ms. Frigo,

I have a new board member that just got appointed this month, he was inquiring if he needed to file his Source of Income this year as a new appointee, I know that the State requires them to file within 30 days of the date of his appointment. Does that apply to County Board Members also.

Please let me know to advise the Board Member and future references.

Thank you,
